It is with profound sadness that we announce our company President, mentor and friend, Dennis Schlabach, passed away Thursday, October 21, 2021, after a brave battle with Parkinson's Disease. Dennis passed peacefully at his home surrounded by his wife, Kathy, his loving family and close friends. Please pray for Kathy, his family and all who loved him.

Dennis was a phenomenal person – a passionate and generous leader that devoted his life to building deep-rooted relationships with his customer base whom he considered, above all, his friends. Dennis provided a positive impact on the many lives he touched, and he leaves a lasting legacy on our industry. He will be deeply missed by all that had the honor of knowing him.

Friends may call Monday, October 25th from 5:00-8:00 p.m. at Harvest Ridge, 8880 OH-39, Millersburg, Ohio. A Celebration of Life gathering will be held Tuesday, October 26th at 11:00 a.m. also at Harvest Ridge. In lieu of flowers, donations may be made to the Dennis and Kathy Schlabach Scholarship, c/o the Holmes County Education Foundation, 114 N Clay St, Millersburg, Ohio 44654.

Denco will be closed on Tuesday, October 26th to honor the memory of our founder and leader. Normal business hours will resume on Wednesday, October 27th. Denco is committed to providing the same level of service that our customers have previously experienced. Each of us work daily to uphold Dennis' vision of Denco, "Always go beyond the expectation of our customers and every day strive to fulfill our promise to be responsive and responsible to everyone we do business with."
